## Welcome to our First Newsletter

We have some exciting updates to share about the CF Dietitian and Social Worker Consortium!

In keeping with our mission and organizational goals, we became an official non-profit organization last month. We are working on expanding our services beyond our annual meeting, which will continue to be held each spring.

## Thank You

We would like to acknowledge the years of hard work and dedication to past board members: Jackie Taylor, RD, CSP and Kim Reno, ACSW, LISW-S, CRS. Without their efforts, we would not have made it this far.

Special Thanks to our Sponsors: MVW Nutritionals, Alcresta, Callion Pharma

## You spoke and we listened

Based on feedback from RD's and SW's, our plans for expanded services include:

- ⇒ Specialty certification for CF dietitians (similar structure to CCTD certification)
- ⇒ Newsletter with information about consortium activities and other updates. If you are interested in writing an article for the newsletter, let us know!
- ⇒ A website and Instagram page planned for Fall 2022, as well as an active Facebook page @CfNutritionAndSocialWorkConsortium
- ⇒ Podcasts starting in Spring 2023 with topics related to CF nutrition and SW
- ⇒ 1 day advanced clinical skills class for RDs (limited attendance; will be held immediately before or after our annual meeting). We plan to expand this to SWs in 2024

As always, we welcome feedback. Please e-mail us at [rdswconsortium@gmail.com](mailto:rdswconsortium@gmail.com)
